

Etty Hillesum – Forging a Spirituality of Hope in Dark Times with Patrick Woodhouse

Over this weekend we shall, first, explore the remarkable story of Etty Hillesum, a young Jewish diarist who, in the early years of the war through discovering an unconventional faith found her life was transformed, and who became an inspirational figure in the transit camp where all the Dutch Jews were sent on their way to Auschwitz.

And then we shall ask: what can the spirituality that she forged in that very darkest of times say to us in the midst of the anxieties and the fears and the multiple overwhelmings of our times?

Patrick Woodhouse is an Anglican priest, and was formerly a Canon of Wells Cathedral. He is the author of *Etty Hillesum, a Life Transformed*, and *Life in the Psalms, Contemporary Meanings in Ancient Texts* (both published by Bloomsbury). He lives with his wife Sam in Wells in Somerset.

Please contact Suzi to check availability and avoid disappointment before registering for the weekend.

Hilfield Friary

Set in 43 acres on the edge of the Dorset Downs and overlooking the beautiful Blackmore Vale; Hilfield Friary is a Community house of the Anglican Society of St Francis – who were founded here in the 1920s.

Since 2007, the Franciscan Brothers have been joined by lay men and women, including young people, who are sharing in the life, work and prayer of the Friary. Our particular focus is on Justice, Peace and the Integrity of Creation arising from our Franciscan vocation.

During this weekend you will be staying in Bernard, Leo or Juniper House, named after the early Companions of St Francis. Your accommodation is quiet and comfortable, warm and well-appointed.

Your meals will be taken either in Juniper House or the Refectory and participants are invited to help with both the preparation and washing up.

During the weekend you are welcome to share in the regular Services in the Community Chapel – although there is no requirement for you to do so.

The suggested donation for the weekend is £160 to include all food and accommodation. We are willing to accept less if this figure is not possible for you as we have a limited number of subsidised bursaries. We ask people to Gift Aid their donation wherever possible.*

Please let us know if you have any dietary or other requirements.

Please tell us your transport details.

I would like to be on the secure database to receive information about The Hilfield Friary Community and its programme ☐

* We do not make a charge for guests to stay with us but any donation towards our life and ministry is gratefully received. Our ministry includes our work with the poor and marginalised in our country, as well as promoting Franciscan values of justice, peace and integrity of creation. We estimate that it costs £60 to simply host a guest per night stayed (for courses this is a larger amount) but all your contributions enable our work to go on, and to welcome those with little or no income.

Thank you for all your support and encouragement in many ways, however much you are able to give it is important to us that you come and share in our community life.
