

Holy Week and Easter at the Friary

with members of the
Hilfield Community

Join us as we celebrate Holy Week and Easter at Hilfield: Journey with the Community as we join Christ through His crucifixion, burial and on to the joy of his Resurrection.

Please contact Suzi to check availability and avoid disappointment before registering for the week.

Hilfield Friary

Set in 43 acres on the edge of the Dorset Downs and overlooking the beautiful Blackmore Vale; Hilfield Friary is a Community house of the Anglican Society of St Francis – who were founded here in the 1920s.

Since 2007, the Franciscan Brothers have been joined by lay men and women, including young people, who are sharing in the life, work and prayer of the Friary. Our particular focus is on Justice, Peace and the Integrity of Creation arising from our Franciscan vocation.

During this week you will be staying in Bernard, Leo or Juniper House, named after the early Companions of St Francis. Your accommodation is quiet and comfortable, warm and well-appointed.

Your meals will be taken in the Refectory or other parts of the Friary. We welcome help with food preparation and drying up (without obligation).

During the week you are welcome to share in our regular Services in the Community Chapel – although there is no requirement for you to do so.

I enclose a non-refundable deposit of £20 to secure my booking (please make your cheque payable to 'Society of Saint Francis').
The suggested donation for the week is £320 to include all food and accommodation. We are willing to accept less if this figure is not possible for you as we have a limited number of subsidised bursaries. We ask people to Gift Aid their donation wherever possible.*

Please let us know if you have any dietary or other requirements.

Please tell us your transport details.

I would like to be on the secure database to receive information about The Hilfield Friary Community and its programme ☐

* We do not make a charge for guests to stay with us but any donation towards our life and ministry is gratefully received. Our ministry includes our work with the poor and marginalised in our country, as well as promoting Franciscan values of justice, peace and integrity of creation. We estimate that it costs £50 to simply host a guest per night stayed (for courses this is a larger amount) but all your contributions enable our work to go on, and to welcome those with little or no income.

Thank you for all your support and encouragement in many ways, however much you are able to give it is important to us that you come and share in our community life.
